

1, AAW 2010 school activities

AAW 2010 is underway. Education packs were distributed to schools. All kinds of activities including composition/art/children' drama competitions and Tiger Day petition are carried out on campus between Oct to end of Dec and we look forward to receiving feedback by the end of the year.

There are around a hundred schools from Jilin City participating in AAW every year. Education packs were always sent to our volunteer contact person in Jilin and teachers then took the materials from our volunteer. By this way, we are able to save on delivery.

2, Tiger Conservation Campus Tour Exhibition

Tiger Conservation Campus Tour Exhibitions are carried out in Wuhan, Xiamen and Gansu.

Tiger conservation Campus Tour Exhibition was held in a primary school in Gansu.
