

GLOBAL TIGER DAY²⁰²⁴

Our zoo is proud to support **WildCats Conservation Alliance** and contribute to the conservation of wild tigers.

Over 24 years, WildCats has distributed over £4.6 million to 103 projects in China, Indonesia, Nepal, Thailand, Russia, and other countries. These funds have helped protect tiger habitats, combat poaching, reduce human-tiger conflict, monitor tiger health, build local conservation skills, and collaborate with communities in conservation efforts.
